Ranking the 2015 Draft

The 2015 NFL Draft was a great draft, with many great players including stars like quarterback Jameis Winston.

The Buccaneers were able to pick up Jameis Winston as they really needed someone to pick up the offense. Tampa Bay got only 1 defensive player, linebacker Kwon Alexander, but they are still trying to improve with picking up 2 offensive tackles and 2 wide receivers. This team has potential with this draft.

The Titans got into a good start early with a smart move to pick up quarterback Marcus Mariota to boost their offense. They had some good improvements that will help a lot.

These are the No. 1 and No. 2 drafting teams, who got great starts to an exciting season.

End of Regular Season Standings Predictions

NL East

1. New York Mets
2. Washington Nationals
3. Atlanta Braves
4. Miami Marlins
5. Philadelphia Phillies

Why Are The Mets First

The Mets have started their season off good, and they haven't looked this good in a long time. The Mets have their pitching strong with the return of Matt Harvey and their hitting has more improvements with 2013 NL Batting Champion Michael Cuddyer.

NL Central

1. St. Louis Cardinals
2. Pittsburgh Pirates
3. Chicago Cubs
4. Cincinnati Reds
5. Milwaukee Brewers

Why Are The Cardinals First

The Cardinals are having a great season, with the pitching of Michael Wacha and Adam Wainwright, and a combination of great hitting from a great Matt Carpenter, hitting over .300, which equals a good record, which they have.

NL West

1. Los Angeles Dodgers
2. San Francisco Giants
3. San Diego Padres
4. Arizona Diamondbacks
5. Colorado Rockies

Why Are The Dodgers First

The Dodgers might have the best current MLB pitchers, Clayton Kershaw, which they can use to their pitching advantage. For hitting, they have Adrian Gonzalez, who is leading the Dodgers in lots of the hitting sections, including home runs.

AL East

1. New York Yankees
2. Baltimore Orioles
3. Boston Red Sox
4. Tampa Bay Rays
5. Toronto Bluejays

Why Are The Yankees First

The Yankees have been playing well, with Michael Pineda back and Mark Teixeira hitting great. The Yankees have their stars playing to their good selves again.

AL Central

1. Kansas City Royals
2. Detroit Tigers
3. Minnesota Twins
4. Cleveland Indians
5. Chicago White Sox

Why Are The Royals First

The Royals won the AL pennant last year, or the ALCS, and their roster is looking that good, with Edinson Volquez with almost a 2.00 ERA and Lorenzo Cain batting over .300.

AL West

1. Los Angeles Angels
2. Houston Astros
3. Oakland Athletics
4. Seattle Mariners
5. Texas Rangers

Why Are The Angels First

Though the Astros look really good this year, I don't think they can clinch their division. So, then it has to be the Angels. Mike Trout and Albert Pujols are the hitters, while they also have acceptable pitching from C.J Wilson.
